today.

LUMINEERS®
beautiful smile. beautiful you.

Ask your dentist today how LUMINEERS® can give you a beautiful, white smile.

“ I got LUMINEERS 20 years ago, and I still can't believe how amazing they are. ... I just can't help smiling every time I catch a peek at myself.

No needles and no drilling needed to get a beautiful, white smile with LUMINEERS.

That's why you should ask your dentist for LUMINEERS by name. They're patented, ultra-thin, porcelain veneers. Thin, yet durable, LUMINEERS preserve your tooth structure by using a highly advanced technique that does not require any drilling of your sensitive tooth structure.* And because your own teeth are preserved, LUMINEERS are completely reversible. So you have nothing to lose...and a beautiful smile to gain.

Proven to last over 20 years

LUMINEERS are clinically proven in an ongoing study to last over 20 years with no evidence of discolouration or detachment.** They're made from extraordinarily strong, patented Cerinate porcelain which helps to improve the strength of your teeth. And they're backed by a limited 5-year warranty. No other treatment even comes close.

Unlike traditional veneers

Because LUMINEERS use a highly advanced technique to give you your dream smile, there's:

- No needles
- No drilling of your sensitive tooth structure*
- No sensitivity afterwards
- No uncomfortable temporaries

Ask your dentist for LUMINEERS by name. It's the quick, easy way to get the beautiful, white smile that lasts and lasts. Remember, there's simply no substitute for a LUMINEERS smile!

Here are some answers to questions you may have.

Q & A

Q. What are LUMINEERS® BY CERINATE®?

A. LUMINEERS BY CERINATE are thin porcelain shields that are bonded to the front of your teeth to create dramatic, beautiful changes in your smile.

Q. Is there any discomfort involved?

A. No. Because LUMINEERS require little to no preparation, there is no need to drill your sensitive tooth structure.*

Q. How long will it take to get my beautiful, white smile?

A. While some people may need other dental treatments, LUMINEERS typically require only 2 dental visits.

Q. How do I know if LUMINEERS are right for me?

A. Schedule a consultation today. Your dentist can show you how your smile can be improved with LUMINEERS BY CERINATE.

Q. Is there a certain age group for LUMINEERS?

A. LUMINEERS porcelain veneers can be placed no matter how old or young you are.

Q. How long do LUMINEERS last?

A. They are the only veneer clinically proven to last over 20 years with 100% retention and no discoloration.**

Q. Why LUMINEERS?

A. Stronger, thinner at 0.2mm, more natural looking, more beautiful, over 20 years clinical research.
